CLASSIFICATION AND HANDICAPPING

Shooter classification will be based upon ATA printed Rule V; Singles & Doubles Events

Classification will be based on registered targets shot this year, last year, or last 500 whichever is the highest. Known ability may also be considered if that may have a bearing on an individual's ability to break targets.

Any shooter that has registered fewer than 500 targets in 16 yard, handicap or doubles for the current year and two previous years may be assessed penalty yardage and classification. Penalty yardage and classification will be as follows: Men, Sub Veteran, Veteran, Senior Veteran, Junior Gold & Junior – Class B & penalty yardage 23. Lady 1, Lady 2 & Sub-Junior – Class C & penalty yardage 20.

If shooter has registered an excess of 500 targets in 16 yards or doubles, including current and last year, the average of the last 500 targets, current year's average, whichever is highest, will be used. Abnormally low scores will be disregarded.

It is the contestant's responsibility to have his / her average card up to date before approaching the classification table. It is also the contestant's responsibility to show entire registered ATA shooting history for the current year. If average card is not current and up-to-date when presented to the classifier, you will be asked to leave the line and update your card, then get back in line.

As per rule IV; ATA Tournaments

All special category shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. No contestant will be allowed to declare or change a special category declaration after firing his/her first shot. Only one (1) Special Category may be declared. There will be no exceptions to this rule. (*Chair Shooters are exempt from this rule*). It is the shooter's responsibility to see that the classifier enters the correct special category on his / her entry card and also the special category is recorded by the computer upon entry. It is the shooter's responsibility to verify if asked special category status.

Special Categories: Female shooters shall be designated as Lady 1 or Lady 2. A female shooter who has not reached her 55th birthday will be designated as Lady 1. *Congratulations to our 2023
Hall of Fame Inductee
Jimmy Kennedy*

Jimmy began shooting league and benefit shoots. In 2008, Doug Hutson invited him to go shoot an ATA shoot in Belen. On that day, he ran his first ever 100 straight in Handicap. It was a big pay out for Jimmy as he played the Jackpot 50's. As he says, he's been hooked ever since!!!

He is a lifetime member of the ATA, member of the San Juan Wildlife Federation and member of the NMSTA. He also is the director for the shotgun facility at San Juan.

Over the years of trapshooting Jimmy has won numerous trapshooting trophies:

2008 HAA Champion NMSTA Satellite Grand

2014 HOA and HAA Sub-Vet New Mexico State Shoot

Jimmy has also won trophies in Tucson at the Spring and Autumn Grand, Arizona State Shoot, Oklahoma State Shoot, Texas State Shoot and Colorado State Shoot.

Over the years, he won 18 trophies at the Southwestern Zone Shoots. He has been a member of the New Mexico State Team 2009, 2014, 2017, 2018, 2019 and 2021.

He has shot 45,150 singles, 31,500 doubles and 45,150 handicap targets.

Jimmy donated finances and time to start recognition for Sub Vet and Lady Singles Champions around 2013.

He has also donated time and equipment for entertainment and auctioneering at State Shoots for many years.

Jimmy donated time, money and coaching services for high school, 4-H and High School Rodeo shotgun shooters.
